Hatred and Revenge

DragonForce

I saw the ravens in the distant sky
I searched the mountains for the eternal fire
I fought the dragons through the sands of time
We race through the wind to glory rideWe crossed the valleys to the distant sun
We feel the power of the vengeance sworn
We crushed the cities and the war was won
The fire in our soul, we're standing strongKingdom calling
Raise the cannons of warRide from the mountains and rise from the seas
Steel of the warriors, you bow to your knees
Sail through the darkness, the true prophecy
Cursed is the night in the sea of dreams
Ride from the mountains and rise from the seas
Steel of the warriors, you bow to your knees
Sail through the darkness, the true prophecy
Cursed is the night in the sea of dreamsA blaze of light beyond the eastern sky
The stairs of doom towards the ivory tower
A vengeful death that waits for all this time
The judgement has passed, we all now dieA mess of torment for a thousand souls
The unseen fury of the ancient scrolls
The years of torture that have been foretold
A lifetime of fear, they now beholdKingdom calling
Raise the cannons of warRide from the mountains and rise from the seas
Steel of the warriors, you bow to your knees
Sail through the darkness, the true prophecy
Cursed is the night in the sea of dreams
Ride from the mountains and rise from the seas
Steel of the warriors, you bow to your knees
Sail through the darkness, the true prophecy
Cursed is the night in the sea of dreamsI saw the ravens in the distant sky
I searched the mountains for the eternal fire
I fought the dragons through the sands of time
We race through the wind to glory rideKingdom calling
Raise the cannons of warRide from the mountains and rise from the seas
Steel of the warriors, you bow to your knees
Sail through the darkness, the true prophecy
Cursed is the night in the sea of dreamsRide from the mountains and rise from the seas
Steel of the warriors, you bow to your knees
Sail through the darkness, the true prophecy
Cursed is the night in the sea of dreams

Cursed is the night in the sea of dreams
Cursed is the night in the sea of dreams
