Tower Of Strength

McDaniels, Gene

(M. Gray)
I can't make you love me, but I'm gonna try, I'm gonna try
And I can't make you hold me, but I'm gonna try, I'm gonna try
Starting out just as friends, I felt my feelings grow
Every day a little more, and now I can't let go
I say you, you're all that I want, you're all that I need, a tower of strength
I say you, you're all that I want, you're all that I need, now 'til the end
I can't make you love me, but I'm gonna try, I'm gonna try
Wrap your arms around me, and close your eyes, oh-oh
Baby close your eyes, oh-oh-oh
You gotta hear me sayin'
You, you're all that I want, you're all that I need, a tower of strength
I say you, you're all that I want, you're all that I need, now 'til the end
You, you're all that I want, more than I need, a tower of strength
Baby you, you're all that I want, more that I need, now 'til the end
Oh, if I'm dyin' (a tower of strength), as I'm your man you are my woman
You're all that I need (a tower of strength)
You said, you said you give me love, love
Love, love, to love (a tower of strength)... (to fade)
