

# Blue For You (Live At The Royal Albert Hall)

## Wet Wet Wet

I was born by the river  
So I know where the river runs dry  
Oh I, I couldn't last forever Accused just for living  
But I know that the living was right  
Oh I, I couldn't last forever Look at me makin' movies  
Makin', livin' like I've never lived before  
And this people wanting out of the river  
Like a poor boy really should, yeah Now I can sit and stand it  
Like other people do, oh  
What you do for me, I'll do for you, yeah Now I can sit and stand it  
Like other people do  
What is blue for me is it blue for you There's a man who I know  
You know, he's got a fist full of dirty dollars  
And he thinks they won't last forever Does he really know what people are sayin'?  
[Incomprehensible] what he's sayin'  
Whilst the other's disappear, he was alone Now I can sit and stand it  
Like other people do, oh  
What you do for me, I'll do for you, yeah Now I can sit and stand it  
Like other people do  
And what is blue for me, is it blue for you I go back to the river  
'Cause I know where the river runs dry  
Oh I, I couldn't last forever Take the night makin' movies  
Like a villain never ever seen the light of day  
Don't you know that I, that it can't last forever, oh? Now I can sit and stand it  
Like other people do  
What you do for me, I'll do for you, yeah Now I can sit and stand it  
Like other people do  
What is blue for me, is it blue for you Now I can sit and stand it  
Like other people do  
And what is blue for me, is it blue for you  
Is it blue, is it blue, is it blue for you  
Oh, is it blue for you She says [Incomprehensible]  
She says, I'm gonna give my love for you, yeah  
[Incomprehensible]  
What you do, [Incomprehensible]  
I give my love for you
