

Love You With My Life

Steven Curtis Chapman

There is a pressing question
My hearts been asking me:
When I say "I love You Lord",
What does it mean? I know its one thing to say it,
And another thing to do;
How can I show you its true?[Chorus]
I'm gonna love You with my life.
I want to love You with my life.
I'm gonna listen and obey, I'm gonna live these words I say.
I'm gonna love You with my life. Some people love with money;
Some people love with words;
Some people love because they love the returns;
Yet with all these complications,
The greatest love is always found
In the one who lays his life down.[Chorus]
He said if we love Him,
Were gonna do the things He told us,
Walk the path He showed us;
So if you love Him, show Him its true in how you're living.
If you mean it, say it with me.[Chorus]
