Day Has Come

Hanson

Well the day has come to whereI've never thought of anyone
Quite as much as I think of you
As the days go by I never wonder why
I just know it's true
Well the day has come
Well the day has come
Well I never would have thouhgt that I
Could love someone tlike I love you
And I never would have thought
That anyone could love me like you do

Chorus:
The day has come and still I never
ask myself why I love you
As the days go by it seemed that I
LOve you more than I did the day before
Chorus:
Day has come
Day has come
