

Living Is So Easy

British Sea Power

Well, oh, my god, did she look cute
At the Dame Vera clay pigeon shoot
But it was over, oh, so fast
It was a blast So here's to all the dirty girls
They're taking on all of the world
Accessorized up to the hilt
No one got killed Northern girls
Are you going to the party?
Southern boys
Are you going to the party? Everyone, the wessies and the ossies
Everyone is going to the party
And we know that you will understand, no, oh Living is so easy
(Living is so easy)
Shopping is so easy
(Shopping is so easy) Dying is so easy
(Dying is so easy)
All of it is easy
(All of it is easy) I love your celebrity
Your VPL in the SUV
And then you're pissing vitamins
It is a sin LVMH in the HLM
Luxury it will descend
I won't be looking at your eyes
In the end Rive Gauche girls
Are you going to the party?
Banlieue boys
Are you going to the party? Everyone, the cops and the commies
Everyone is going to the party
And we know that you will understand, no, oh Living is so easy
(Living is so easy)
Shopping is so easy
(Shopping is so easy) Dying is so easy
(Dying is so easy)
All of it is easy
(All of it is easy) Northern girls
Are you going to the party?
Southern boys
Are you going to the party? Everyone is going to the party
Everyone is going to the party

And we know that you will understand, no, ohLiving is so easy

Living is so easy

Living is so easy

Kissing is so easy

Dancing is so easy

Shopping is so easy

It's never been so
