You Can Have It All

JRDN

I'll tell you what it's going to be like
I saw you on the bus and that was that
There's more to this than passing by
There's more to this than meets the eyeI'll tell you what it's going to be like
I saw you on the bus, I saw your shoes
They fell apart some time ago
Am I so boring, fineIt's not my fault, I don't care
I don't regret a single thing
It's not my fault, I don't care
I don't regret a single thingI'll tell you what it's going to feel like
You lost a limb and you can feel it
If you leave at night, not by my side
'Cause I'm not there to hold you too tightLeave, I'll tell you what its going to be like
No you can never hold my hand
If only they can know or understand
That you and me are now togetherIt's not my fault, I don't care
I don't regret a single thing
It's not my fault, I don't care
I don't regret a single thingOh oh, you can have it all, if that's alright
Oh, I will give it all to you 'cause you never lied before
And you can have it all, if that's alright
And you can have it all, if it's alright, oh ohIt's not my fault, I don't care
I don't regret a single thing
It's not my fault, I don't care
I don't regret a single thingOh oh, you can have it all, if that's alright
And I will give it all to you 'cause you never lied before
And you can have it all, if that's alright
Oh, I will give it all to you 'cause you never lied beforeAnd you can have it all, if that's alright
And I will give it all to you 'cause you never lied before
And you can have it all, if that's alright
I know that you can have it all, if it's alright
