

# You Can Have It All

**JRDN**

I'll tell you what it's going to be like  
I saw you on the bus and that was that  
There's more to this than passing by  
There's more to this than meets the eyeI'll tell you what it's going to be like  
I saw you on the bus, I saw your shoes  
They fell apart some time ago  
Am I so boring, fineIt's not my fault, I don't care  
I don't regret a single thing  
It's not my fault, I don't care  
I don't regret a single thingI'll tell you what it's going to feel like  
You lost a limb and you can feel it  
If you leave at night, not by my side  
'Cause I'm not there to hold you too tightLeave, I'll tell you what its going to be like  
No you can never hold my hand  
If only they can know or understand  
That you and me are now togetherIt's not my fault, I don't care  
I don't regret a single thing  
It's not my fault, I don't care  
I don't regret a single thingOh oh, you can have it all, if that's alright  
Oh, I will give it all to you 'cause you never lied before  
And you can have it all, if that's alright  
And you can have it all, if it's alright, oh ohIt's not my fault, I don't care  
I don't regret a single thing  
It's not my fault, I don't care  
I don't regret a single thingOh oh, you can have it all, if that's alright  
And I will give it all to you 'cause you never lied before  
And you can have it all, if that's alright  
Oh, I will give it all to you 'cause you never lied beforeAnd you can have it all, if that's alright  
And I will give it all to you 'cause you never lied before  
And you can have it all, if that's alright  
I know that you can have it all, if it's alright
