

Oh! Gravity.

Switchfoot

Theres a fracture in the color bar
In the backseat of a parked car
By the liquor store where the streetlight
Keep you company 'til the next nightIn the same town, theres the same scar
In the same glow of the liquor store
By the freeway, where the headlight
Keep her company' til the next nightOh! Gravity
Why cant we seem to keep it together?
Sons of my enemies
Why cant we seem to keep it together?In the back room of the Pentagon
Theres a thin man with a line drawn
With a red jaw and a red bite
Watch the headline on the next nightOh! Gravity
Why cant we seem to keep it together?
Sons of my enemies
Why cant we seem to keep it together?Why this tragedy?
Why cant we seem to keep it together?
Oh! Gravity
Why cant we seem to pull it together?In the fallout, the fallout
We found out the hype wont get you through
Were connected, connected
I meant it, the hype wont get you through, throughOh! Gravity
Why cant we seem to keep it together?
Oh! Gravity
Why cant we seem to pull it together?Why this tragedy?
Why cant we seem to keep it together?
Oh! Gravity
Why cant we seem to pull it together now?La la la
Let's pull it together
