

And My Word

Geto Boys

All I have in this scar is balls (x6)
balls, right word (gunshot)
balls, right word (don't fuck with me)
balls, right word (gunshot)
balls, right word (don't fuck with me)
All I have in this scar.... (x10)
If he needed the money he give em pow (x2)
This town is like a great big pussy,
just waitin' to get fucked (x4)
Say hello to my little friend (x4)
(tons of gunshots)
All i have in this scar is balls (x6)
Don't fuck with me (x4)
(Gunshots)
All I have in this scar is balls (until the song ends)
