

Charlene

Go Back to the Zoo

Charlene let's swim to the moonlight
It's easy to say no but it's worth the try
People of Nashville going out

It's one way quiet night
Flowers of the moon kiss the sky
And I??

I wanna feel your arms around me
I don't say goodbye
I wanna feel your arms around me
I don't say goodbye

So I say
Charlene let's swim to the moonlight
It's easy to say no but it's worth the try
Charlene let's swim to the moonlight
It's easy to say no but it's worth the try
Most college guys seize the day
There a whole lot more to see

The soft wind blows through the quiet house
Thoughts getting lost in space
I wanna feel your arms around me
I don't say goodbye
I wanna feel your arms around me
Never gonna say goodbye

So I say
Charlene let's swim to the moonlight
It's easy to say no but it's worth the try
Charlene let's swim to the moonlight
It's easy to say no but it's worth the try
I got the moonlight
Yes I got the moonlight
I got the moonlight

Charlene let's swim to the moonlight
It's easy to say no but it's worth the try
Charlene let's swim to the moonlight
I got the moonlight

It's easy to say no but it's worth the try
Charlene let's swim to the moonlight
It's easy to say no but it's worth the try
