

# King Of Hearts (Kanye West Remix)

Cassie

You are the Prince of Charm  
Seduction is your art  
You'll never play my love  
You're just my King of Hearts  
You are my King of Hearts If you with it  
You might as well admit it  
And you can come and get it  
Or you can just forget it, forget it  
If you with it  
You might as well admit it  
And you can come and get it  
Boy you can just forget it, forget it You are the Prince of Charm  
Seduction is your art  
You'll never play my love  
You're just my King of Hearts  
You are my King of Hearts You are the Prince of Charm  
Seduction is your art  
You'll never play my love  
You're just my King of Hearts  
You are my King of Hearts Hear what you sayin'  
Baby why you blamin'?  
It's obvious you playin'  
But you can just keep blamin', keep blamin' Keep playin',  
Baby why you playin'?  
It's obvious you gamin'  
But you can just keep blamin', keep blamin' You are the Prince of Charm  
Seduction is your art  
You'll never play my love  
You're just my King of Hearts  
You are my King of Hearts You are the Prince of Charm  
Seduction is your art  
You'll never play my love  
You're just my King of Hearts  
You are my King of Hearts And we go  
And we go go (go go go go)  
And we go  
And we go go (go go go go) King of Hearts  
King of Hearts  
King of Hearts

King of Hearts You are the Prince of Charm

Seduction is your art

You'll never play my love

You're just my King of Hearts

You are my King of Hearts And we go

And we go go (go go go go)

And we go

And we go go (go go go go)
