

Heart to Heart (feat. Shannon Taylor)

Sounds Like Harmony

I met you on the west coast
It's funny how it happens
When you don't have a clue

But I sure love you
We could talk for hours on the cell phone
And I won't go, if you don't want me to
Band-aids don't fix broken hearts

Like fire from a simple spark
And one day when this world grows dark
We will still see heart to heart
Sharpie pens will wash away
From water in the pouring rain
But oh my love I'm here to stay

It goes to show that some things were just never meant to change
Every time you hold my hand

I begin to understand
That I don't want to leave
Cause I sure need you
And every fight I wish I'd miss

To never be too far from this
Cause I don't want to go
If you don't want me to
Band-aids don't fix broken hearts

Like fire from a simple spark
And one day when this world grows dark
We will still see heart to heart
Sharpie pens will wash away
From water in the pouring rain
But oh my love I'm here to stay

It goes to show that some things were just never meant to change
If you want to go, love, I don't think I'm ready,

I don't think I'm ready, love

Shut up and kiss me

I don't want to go, love, I don't think I'm ready,

I don't think I'm ready, love

Boy, are you listening?

If you want to go, love, I don't think I'm ready,

I don't think I'm ready, love

Shut up and kiss me

I don't want to go, love, I don't think I'm ready,

I don't think I'm ready, love

Boy, are you listening? Shut up and kiss me
Band-aids don't fix broken hearts

Like fire from a simple spark
And one day when this world grows dark
We will still see heart to heart

Sharpie pens will wash away
From water in the pouring rain
But oh my love I'm here to stay
It goes to show that some things were just
Please tell me that this will never change
