

Over My Head (Better Off Dead)

Sum 41

What happened to you
You played the victim for so long now in this game
What I thought was true
Is made of fiction and I'm following the same But if I try to make sense of this mess I'm in
I'm not sure where I should begin
I'm fallin'
I'm fallin' Now I'm in over my head for something I've said
Completely misread I'm better off dead
And now I can see how fake it can be
This hypocrisy is beginning to get to me It's none of my concern
What is luck to me 'cause I don't believe in fame
I guess you never heard
I bet the makers they don't even know your name But if I had to say goodbye to leave this hell
I take my time has served me well
I'm fallin'
I'm fallin' Now I'm in over my head for something I've said
Completely misread I'm better off dead
And now I can see how fake it can be
This hypocrisy is beginning to get to me This came all before, those who suffer more
I'm too awake for this, to be a nightmare
What's with my disgrace, I lost the human race
No one plans for it to, blow up in their face Who said it was easy
To put back all of these pieces
Who said it was so easy
To put back all of these pieces Now I'm in over my head for something I've said
Completely misread I'm better off dead
And now I can see how fake it can be
This hypocrisy is beginning to get to me Over my head
Better off dead
Over my head
Better off dead
Alright
