

# You Can Have It All (Ian Brodie Remix)

## Kaiser Chiefs

I tell you what it's going to be like  
I saw you on the bus and that was that  
There's more to this than passing by  
There's more to this than meets the eye I tell you what it's going to be like  
I saw you on the bus, I saw your shoes  
They fell apart some time ago,  
I'll buy some more in 5 years [Chorus]  
It's not my fault, I don't care  
I don't regret a single thing  
It's not my fault, I don't care  
I don't regret a single thing I tell you what it's going to feel like  
You've lost a limb and you can feel it  
It's too late, at night, not by my side  
'Cause I'm not there to hold you too tight I tell you what it's going to be like  
Well you can never hold my hand in public  
They can't know or understand  
That you and me are now together [Chorus] You can have it all if that's alright  
And I will give it all to you cause you never fight  
You can have it all if that's alright  
And know that you can have it all if it's alright [Chorus] You can have it all if that's alright  
And I will give it all to you cause you never fight  
Before that you could have it all if that's alright  
And I would give it all to you cause you never fight  
Before that you could have it all if that's alright  
If it's alright
