

# In Spite Of

## Mississippi Mass Choir

I ain't as beautiful as you  
I ain't as beautiful as you  
In spite of the fact  
That I ain't noticed in a crowd  
I know it ain't all bad  
I know that ain't all bad  
If I look the right direction  
In my mind  
In the castle where I am the king  
I will build up my arms  
Until I cross my borders to conquer the world  
On my one way crusade  
I ain't as clever as I seem  
I ain't as clever as I seem  
In spite of the fact  
That I am learning every day  
I know that ain't all bad  
I know, it ain't all bad  
If I look the right direction  
Oh, direction  
In my mind  
In the castle where I am the king  
I will build up my arms

Until I cross my borders to conquer the world  
On my one way crusade  
Oh, anybody there  
I say  
I ain't as beautiful as you  
I ain't as beautiful as you  
But I may return though  
To see the beauty of it all  
I know that ain't all bad  
I know it ain't all bad  
If I look in the right direction  
In my mind  
In the castle where I am the king  
I will build up my arms  
Until I cross my borders to conquer the world

On my one way crusade, I said  
I say  
Oh, I say  
I say, I say  
Things ain't always bad
