

# Love Is On a Roll (Single Version)

**Don Williams**

I can't work late although I need the money  
Gotta get home to my lovin' honey  
She'll be there waitin', waitin' impatiently Love is on a roll  
Love is on a good roll Usually I meet with the boys of Friday  
Only this mornin' she said, This is my day  
The look she gave me sent a shiver down into my soul Love is on a roll  
Love is on a good roll Love is on a roll  
Love is on a good roll I'm a songwriter a professional dreamer  
Mostly a singer but sometimes a screamer  
I should know if anybody knows at all When love is on a roll  
Love is on a good roll So I gotta go, I gotta get home early  
Be with my woman, soft an curvy  
Makes me feel like a king and not a regular Joe Love is on a roll  
Love is on a good roll Love is on a roll  
Love is on a good roll Love is on a roll  
Love is on a good roll Love is on a roll  
Love is on a good roll Love is on a roll  
Love is on a good roll Love is on a roll  
Love is on a good roll
