Shivers

Armin van Buuren

A little bit, just a little bit, just a little bit

A little bit, just a little bit, just a little bit

A little bit, just a little bit, just a little bit

A little bit, just a little bit, just a little bitWorld don't turn around

Music make no sound

Where is sweetness found

When love is gone?Sun don't come around

Don't make a sound

Where can love be found

If your heart won't feel? Shivers up and down my spine

Break up, not on my mindA little bit, just a little bit

A little bit, just a little bit

A little bit, just a little bit

A little bit, just a little bitHow could it end this way?

Don't leave me, love me

Just a little bit longerHow could it end this way?

Don't leave me, love me

Just a little bit longerHow could it end this way?

Don't leave me, love me

Just a little bit longerDay don't turn to nights

Morning don't bring lights

Where is sweetness found

When love is gone? Won't you stay the night?

Let the truth shine bright

Where can love be found

If your heart won't feel? Memory, motions that we shared

Teardrops signing my faceHow could it end this way?

Don't leave me, love me

Just a little bit longerHow could it end this way?

Don't leave me, love me

Just a little bit longerHow could it end this way?

Don't leave me, love me

Just a little bit longerHow could it end this way?

Don't leave me, love me

Just a little bit longerA little bit, just a little bit

A little bit, just a little bit
