

# Love or Torture (Please Don't Stop)

Blake Lewis

Shes like a vision when shes standing in the doorway  
Dont want to give in when she clouds my mind  
There aint no chance in how she lets you have it your way  
Cant find the reason why I shouldnt try  
Oh my.. watch what shes got and shes breaking me a long time  
If I like it or not  
And I really get to comply  
Watch as it causes me pain  
All this torture has got me sayPlease dont stop  
I,I want a taste of what you got  
I,I want to know what gets you hot  
So baby please dont stopPlease dont stop  
I,I want a taste of what you got  
I,I want to know what gets you hot  
So baby please dont stop  
Dont stopPlease dont stop  
Please dont stop  
Dont stopShes making circles marking her territory  
Shes staring at me like a bird of prey  
I know seduction when shes standing before me  
And I aint telling her to go away  
Oh my watch what shes got and shes breaking me a long time  
If I like it or not  
And I really get to comply  
Watch as it causes me pain  
All this torture has got me sayPlease dont stop  
I,I want a taste of what you got  
I,I want to know what gets you hot  
So baby please dont stopPlease dont stop  
I,I want a taste of what you got  
I,I want to know what gets you hot  
So baby please dont stop  
Dont stopPlease dont stopI love her, I love her, I love her, I love her so  
Oh my god im falling for her  
Is this love or is this torture?  
Oh my god im falling for her  
Is this love or is this torture?  
Oh my god im falling for her  
Is this love or is this torture?

Oh my god im falling for her  
Is this love or is this torture?  
Is this love?  
Is this love? Please dont stop  
I want a taste of what you got  
I,I want to know what gets you hot  
So baby please dont stop Please dont stop  
I,I want a taste of what you got  
I,I want to know what gets you hot  
So baby please dont stop  
Dont stop Please dont stop  
Please dont stop  
Please dont stop  
Please dont stop
