

Crack in the Union Jack

Suede

Draw the blinds and watch the show
Heard it on the radio saw it on the news today
I heard the lonely people say "There's a great big crack in the Union Jack"
"There's a great big crack in the Union Jack" Another day another love
Another midday T.V. show saw it on the news today
Heard the lonely people say "There's a great big crack in the Union Jack"
There's a great big crack in the Union Jack,
In the Union Jack."
