Howler

WooHooAll this time we've been hiding out ???

Don't waste your time on the failing youth. Don't waste your time on an obvious truth. Cut every look from???
Dye your hair black, make your bullfriends crap?????with the botox face, shes sitting on the couch now you
little s**t, there more to life than bitching a fit, so get back to work, stitch up those??? wrap up the bodies in
cellophane??? see when he gets home, drink a cup of cola and be sister alone???
