

Praise You

Fatboy Slim

We've come a long long way together
Through the hard times and the good

I have to celebrate you, baby

I have to praise you, like I should

We've come a long long way together
Through the hard times and the good

I have to celebrate you, baby

I have to praise you like I should

I have to praise you

I have to praise you

I have to praise you

I have to praise you like I should

I have to praise you

I have to praise you

I have to praise you

I have to praise you

We've come a long long way together
Through the hard times and the good

I have to celebrate you, baby

I have to praise you like I should

I have to praise you

I have to praise you

I have to praise you

I have to praise you

I have to praise you

I have to praise you

I have to praise you

I have to praise you like I should

I have to praise you

I have to praise you

I have to praise you

I have to praise you

I have to praise you

I have to praise you

I have to praise you
