

The Joint

O-Town; O'Town Boyz

DJ can you play it as a favor for me?
DJ can you play it as a favor for me?
DJ can you play it as a favor for me
You know the joint that she shortys keep talkin' about
 DJ can you play it as a favor for me
You know the joint that makes 'em get down, get down
 Take those, new records off the shelf
 'Cause I ain't dancin' by myself
 And you're the only one who can help
 Uh huh
 Saw this hunnie come through the back door
 And I need to get her out on the floor
 So get up on to your feet by breakin' you off a drink
 'Cause you know what I came here for
 DJ can you play it as a favor for me?
 You know the joint that she shortys keep talkin' about
 DJ can you play it as a favor for me?
 You know the joint that makes 'em get down, get down
 DJ can you play it as a favor for me?
 You know the joint that she shortys keep talkin' about
 DJ can you play it as a favor for me?
 You know the joint that makes 'em get down, get down
 I love, rockin', rockin'
 Hip hop with rock n' roll
 Mix it with a lil' rhythm and soul
 And you know that we'll be good to go
 Uh huh
 I think it's time for the place to get hot
 So DJ make the beat drop
 You better raise up your glass
 And start shakin' yo

 'Cause the party ain't about to stop
 DJ can you play it as a favor for me?
 You know the joint that she shortys keep talkin' about
 DJ can you play it as a favor for me?
 You know the joint that makes 'em get down, get down
 DJ can you play it as a favor for me?
 You know the joint that she shortys keep talkin' about

DJ can you play it as a favor for me?
You know the joint that makes 'em get down, get down
I'ma put another dime up in the jukebox
Let the music play all night long
Giving you a taste of southern comfort
Wrapped up in a love song
Record man can we do it again?
Press rewind before the joint ends
'Cause I'm about to pull a round up of seats
And I won't be stand the heat, oh
Burnin' up, burnin' up, the dance floor's burnin' up
Burnin' up, burnin' up, the joint's like burnin' up
Burnin' up, burnin' up, the dance floor's burnin' up
Burnin' up, burnin' up, the joint's like burnin' up
DJ can you play it as a favor for me?
You know the joint that she shortys keep talkin' about
DJ can you play it as a favor for me?
You know the joint that makes 'em get down, get down
DJ can you play it as a favor for me?
You know the joint that she shortys keep talkin' about
DJ can you play it as a favor for me?
You know the joint that makes 'em get down, get down
