

Froot

Marina & the Diamonds

Iâ€™ve seen seasons come and go
From winter sun to summer snow
This ainâ€™t my first time at the rodeo

Nature ainâ€™t a fruit machine
Sheâ€™s gotta keep her credits clean
Good things come to those who wait
But I ainâ€™t in a patient phase

Itâ€™s summer time and I hang on a vine
Theyâ€™re gonna make me into sweet red wine
Hanging around like a fruit on a tree
Waiting to be picked, come on cut me free

Come on fill your cup up
Looking for some good luck
Good luck, good luck to you
Hanging like a fruit
Ready to be juiced
Juiced, juiced

Living La Dolce Vita
Life couldnâ€™t get much sweeter
Donâ€™t you give me a reason
That itâ€™s not the right season
Babe, I love you a lot
Iâ€™ll give you all Iâ€™ve got
Yeah, you know that itâ€™s true
Iâ€™ve been saving all my summers for you
Iâ€™ve been saving all my summers for you
Like Froot, Like Froot

Baby, I am plump and ripe
Iâ€™m pinker than shepherdâ€™s delight
Sweet like honeysuckle late at night

Leave it too long Iâ€™ll go rot
Like an apple you forgot
Birds and worms will come for me

The cycle of life is complete

Iâ€™m your carnal flower, Iâ€™m your bloody rose
Pick my petals off and make my heart explode
Iâ€™m your deadly nightshade, Iâ€™m your cherry tree
Youâ€™re my one true love, Iâ€™m your destiny

Come on fill your cup up
Looking for some good luck
Good luck, good luck to you
Autumn, Iâ€™ll be gone
Birds will sing their mourning song
Song

Living La Dolce Vita
Life couldnâ€™t get much sweeter
Donâ€™t you give me a reason
That itâ€™s not the right season
Babe, I love you a lot
Iâ€™ll give you all Iâ€™ve got
Yeah you know that itâ€™s true
Iâ€™ve been saving all my summers for you
Iâ€™ve been saving all my summers for you
Like Froot, Like Froot

Oh my body is ready
Yeah itâ€™s ready, yeah itâ€™s ready for your love
Oh my branches are heavy
Yeah theyâ€™re heavy, yeah theyâ€™re heavy

Living La Dolce Vita
Life couldnâ€™t get much sweeter
Donâ€™t you give me a reason
That itâ€™s not the right season
Babe, I love you a lot
Iâ€™ll give you all Iâ€™ve got
Yeah you know that itâ€™s true
Iâ€™ve been saving all my summers for you
Iâ€™ve been saving all my summers for you
Like Froot, Like Froot

Living La Dolce Vita
Iâ€™m in love
Living La Dolce Vita
Iâ€™m in love
Iâ€™m in love
