St. Justice

Albert Hammond, Jr.

Something you said to me
But I can't explain it
Something you said to me
I, I know you've asked itSomehow you found me
The words are in motion
Somehow you found me
The words are in motion nowI, I got locked in myself
And I don't know what to do
There were dreams in my eyes
That now - Don't shine throughSomething you said to me
I, I can't explain it
Something you said to me
I, I know you've asked itSomehow you found me
The words are in motion
Somehow you found me
The words are in motion nowI'm beginning to feel that
You don't know what you do
Is it possibly true that motions
Get lost on you
Get lost on youAnd you never grow up
And you never did see
The worlds coming down
Was crashing right upon me
Upon me
And everyone knows
That you never go back
'Cause you never did see
'Cause we never attack
Forget me
I'll forget youSomething you said to me
Something you said to me
I, I can't explain it
Something you said to me
I, I know you've asked it
