Lip Service

Slapshot

Advisory - the following lyrics contain explicit language:

Peace in the pit, what a load of shit
They'll never get their shit together
Instead of unity only out for themselvesBack on the map is a fucking joke
Since you came on the scene
You're so Hardcore, you're from the streets
I wish you would leave
Who give a fuck if you came from the hard side of town
'Cause all I see with your bullshit
Is you drag all you see downLip service is all I hear
And nothing is ever made clear
Threats are made and blame is placed
Judgement drawn with no credibilityBack on the map is a fucking joke
Since you came on the scene
You're so Hardcore, you're from the streets
I wish you would leave
Who give a fuck if you came from the hard side of town'Cause all I see with your bullshit
Is you drag all you see downGo ahead put the blame on me
You'll be O.K.? We'll just wait and seeGo ahead put the blame on me
We'll just wait and see
