## A Taste of Honey

It's all because of you  
I'm feelin' sad and blue  
You went away  
Now my life is just a rainy day  
I love you so  
How much you'll never know  
You've gone away and left me lonely

Untouchable memories  
Seem to keep haunting me  
Of a love so true  
That once turned all my grey skies blue  
But you disappeared  
Now my eyes are filled with tears  
I'm wishing you were here with me

Soft with love are my thoughts of you  
Now that you're gone, I don't know what to do  
If only you were here  
You'd wash away my tears  
And the sun would shine

And once again you'd be mine all mine  
But in reality  
You and I will never be  
'Cause you took your love away from me
