

God You Reign

Open Heaven

Verse 1

Another day of Your mercies

Another day of Your grace

Another day of Your power

Another day we can say

God You reign

Another chance to proclaim

God You reign

Another day to sing Your praise

God You reign

Heaven and earth shall fade

But You remain

God You reign

Great King over all the earth

Oh oh oh

You reign Lord forevermore

Oh oh oh

You rule from Your holy throne

Oh oh oh

We worship You, We worship You
