

# Beautiful Things

**DJ Prada G**

Beautiful things are comin' my way  
Beautiful things, I want them to stay  
But after a while, my beautiful things  
Don't seem beautiful at all  
And terrible things like when you wake up  
And all of your dreams seem to crack up  
Like things you have done, like breakin' my heart  
For you it don't seem terrible at all  
Is there someone I can talk to?  
Someone on the line  
Does anybody want to hear  
What's on my mind?  
Beautiful things like leaves on a tree  
Beautiful things, the sky and the sea  
Since you've been gone, no beautiful things  
Seems beautiful to me  
Is there someone I can talk to?  
Someone out there on the line  
Does anybody want to hear  
What's on my mind?  
Make the grass grow in the garden  
When the rain is passin' by  
Does anybody wants to know  
What's on my mind?  
Does anybody wants to know  
Is there someone I can talk to?  
Someone out there on the line  
Does anybody want to hear what's on my mind?  
Want to hear what's on my mind?  
Does anybody want to know?  
Does anybody want to know?  
Does anybody want to know?  
Does anybody want to know?
