Pinup

Lady, im digging your style it is out of this world.
No girl out there will ever compare to you. And I bet you dont know your such a beauty queen, straight out of a magazine.Lady, just walking around and your confusing me. With a look in your eye it is abusing me. And I reakon you don't know what you do to me. Lady, im digging your style it is out of this world.
No girl out there will ever compare to you. And I bet you dont know your such a beauty queen, straight out of a magazine.I cant help this feeling, my desire is burning. You've gotta set me free, release whats inside of you my desire's burning. *I see you, I want you. I need you girl yeah, you're just a pinup girl...a pin up girl giirrrlllllllll yeah*
