

My Kind Of Lady

Supertramp

Let me tell you what I want to say
You're the only one who can make me feel this way
My kind of lady
No better love could I embrace No better heart, no other face
Can quite compare with you
You came along and then you mend my broken dreams
I was so down and then as foolish as it seems You gave me your affection
Yeah baby you came through
We'll make it you'll see
In spite of those who say it's wrong This time we feel that we belong
Now we can truly say
We'll be together and that's all we'll ever need
We'll love each other, that's the way it's gonna be And nothin' under the sun of moon
Can make us be apart
Oh my honey
You know I'll love you every day When things go wrong we'll find a way
I'm so glad I met you
Much more than I can ever say
We're making plans and holding hands just like before We'll try again, we'll make amends along the road
It's fellin' good, just like it should, this time we know
We'll share each other's happiness for now and evermore
I've been wastin' my life away I've got a message for you today
To tell you that you are
My kind of lady
I'm not the same since I met you All of my dreams had fallen through
And then you came along
One magic night when things went right it was so fine
Looked in your eyes and realized that you were mine And nothin' under the sun of moon
Can make us be apart
Oh my baby
You know I'll love you all the way When times get hard we'll smile and say
I'm so glad I met you I'll love you more and more each day
We're making plans and holding hands just like before
We'll try again, we'll make amends along the road It's fellin' good, just like it should, this time we know
We'll share each other's happiness for now and evermore
