In Love With A Friend

Deep Dish

I'm in love with a friend
Going on a week
I'm in love with a friend
I can hardly speakI can read between the lines
And I can read between the sheets
In my passion you will find
My face as red as beetsI'm in love with a friend
I don't know what to do
I'm in love with a friend
And that friend is youBe surprised by my remarks
For they surprise me too
If I weren't shooting in the dark
I'd be as confused as youBut I'm in loveAll that you told me
All that we've been through
If we end up together
What would my friends say to you?I'm in love with a friend
I don't know what to do
I'm in love with a friend
And that friend is youBe surprised by my remarks
For they surprise me too
If I weren't shooting in the dark
I'd be as confused as youBut I'm in love
But I'm in love
But I'm in love
