

Inside

Lita Ford

Lookin' in the mirror, don't necessarily like what I see
When you are staing at me
Do you think you know who this door's inside your like you want to be
Believe in your self, in your self
Feel you from the inside
My soul is burning for you
Feel me from the inside
Inside is where I wanna be
Feel me from the inside
My soul's on fire for you
Feel you from the inside
On a dream to nowhere
A Wicked fantasy
Just you and me, just you and me

That's how I want it to be
Close your eyes forever
I'll always be by your side
That way you want me
And I want you
Feel you from the inside
My soul is burning for you
Feel me from the inside
Inside is where I wanna be
Feel me from the inside
My soul's on fire for you
Feel you from the inside
Feel me, feel me inside
Feel me, feel me inside
