Down N' Dirty

Steelheart

Well, I've been around the world, well, I've seen all kinds of girls But not like the one I met last night But I want to mow you down like a freight train? I jumped back, I saw the fire in her eyes Well, I started shaking in my shoes She said, ?Relax babe, you're in good hands? Oh, tell me what have you got to lose Get down n' dirty, lay it on the floor Shake, shake it up baby, shake it up some more Get down n' dirty, lay it on the floor Shake, shake it up baby, shake it up some more Back seat, she was running hot, she said, ?Baby give me all you got? Time for dirty dog to come feed the kitty Well, we were bumpin' and grindin' all night, hanging on with all my might Rollin' till the train was running off the tracks The smoke cleared, I looked into her lovin' eyes Well, I knew my love was on the line I said, ?Girl, I'd be a fool to let you go? She said, ?Come on boy, stop wastin' time? Get down n' dirty, lay it on the floor Shake, shake it up baby, shake it up some more Get down n' dirty, lay it on the floor Shake, shake it up baby, shake it up some more

Oh baby, yeah that's it, that's it baby
A little lower, c'mon
Ah, no no no no, not there, yeah, that's it
Speed up now, c'mon
I'm goin' down down, down down
I'm goin' down down, down down
And I'm goin' down down, oh, down down
And I'm goin' down, down, down, down, down, down
Get down n' dirty, lay it on the floor
Shake, shake it up baby, shake it up some more
Get down n' dirty, lay it on the floor
Shake, shake it up baby, shake it up some more
Baby, c'mon baby, baby, b-b-baby
C'mon and shake me, shake
Get down n' dirty, lay it on the floor

Shake, shake it up baby, shake it up some more
Get down n' dirty, lay it on the floor
Shake, shake it up baby, shake it up some more
Get down n' dirty, lay it on the floor
Shake, shake it up baby, shake it up some more
Get down n' dirty
