Wonder

Lamb

Lately I find myself
Amazed
At all around me
Everything I see
Like all of life's ablaze
With light
That suddenly I see
Only now I see

[Chorus]
The wonder
The wonder
Of it all
Wonder everywhere
More than we know
Heaven's not up there
But on earth below
The wonder
The wonder
Of it all
Wonder everywhere
More than we know
Heaven's not up there
But on earth below

Don't know if God exists
But there's some magic out there
So much we're not aware
And sometimes suddenly
I hear (I hear)
A harmony sing
Of each and everything

[Chorus]
