Pipeline

The Chantays

Get out the crane
Construction time again
What is it this time?We're laying on a pipelineLet the beads of sweat flow
Until the ends have met, though
It could take a long timeWorking on a pipeline
Taking from the greedy, giving to the needyOn this golden day
Work's been sent our way
That could last a lifetimeWorking on a pipelineFrom the heart of the land
To the mouth of the man
Must reach him sometimeWe're laying on a pipeline
Taking from the greedy, giving to the needyTaking from the greedy, giving to the needy
Taking from the greedy, giving to the needy
Taking from the greedy, giving to the needy
Taking from the greedy, giving to the needy
