

# Pipeline

## The Chantays

Get out the crane  
Construction time again  
What is it this time?We're laying on a pipelineLet the beads of sweat flow  
Until the ends have met, though  
It could take a long timeWorking on a pipeline  
Taking from the greedy, giving to the needyOn this golden day  
Work's been sent our way  
That could last a lifetimeWorking on a pipelineFrom the heart of the land  
To the mouth of the man  
Must reach him sometimeWe're laying on a pipeline  
Taking from the greedy, giving to the needyTaking from the greedy, giving to the needy  
Taking from the greedy, giving to the needy  
Taking from the greedy, giving to the needy
