

# Get Loose

## Tyga

Money buy the power, I could buy all the real shit  
I ain't never been a liar  
Walk up to yo bitch, told 'er I'd buy 'er  
Nigga talk shit, I pull out the fire Bitches getting loose, ride through on yo block man  
In the drop, hair black, bands make a bitch cheat, not care  
Young guerrilla, pop bills, pop bands  
Put a price on yo head, dollar sign,  
Die fast, live young nigga  
Got mills, ain't a dumb nigga  
Niggas got choppas like drums going dumb nigga  
Take 'er for the night, night stand then I'm done nigga  
Then I giver 'er back like, huh nigga?  
I'm the shit, call the plumber  
I'm so lit, I don't know my number  
Walk up in the club, like what's yo dilemma?  
Started taking shots but I am no beginner  
Bottles in my both hands bitch  
Twerk, we don't slow dance to them slow jams  
All my niggas in the club doing the money dance  
Big booty clappin' to the end, all night goddamn Money buy the power, I could buy all the real shit  
I ain't never been a liar  
Walk up to yo bitch, told 'er I'd buy 'er  
Nigga talk shit, I pull out the fire Bitch 'cause I'm loose off the goose, goose  
Loose off the goose, goose  
Loose off the goose, goose  
Real shit, I ain't never been a liar  
Bitches getting loose Loosing up in the backseat  
Got killers on the street, bitch life ain't a beach  
And his beach house ain't cheap, got shooters like the Heat  
Real motherfuckin G's, RIP Eazy E  
T'd up, bitch let a nigga nut  
We can shoot dollars, just a bang for yo work  
Ride out niggas rough, it's that Thuggish Ruggish Bone  
My niggas Rambo, Sylvester Stallone  
Gone, got bars, ain't gotta roam  
If she ain't giving dome I guess she gon be walking home  
Click clack two heels, turn it, don't make a noise  
When I'm down south, niggas say I'm that boy  
Good dawg, good for nothing but the cash

100 on the dash, molly in the stash, fuck a price tag  
Smoke til I can't see nothing, call it gas mask  
She gon' need a white flag when a nigga murder that ass  
Money buy the power, I could buy all the real shit  
I ain't never been a liar  
Walk up to yo bitch, told 'er I'd buy 'er  
Nigga talk shit, I pull out the fire  
Bitch 'cause I'm loose off the goose, goose  
Loose off the goose, goose  
Loose off the goose, goose  
Real shit, I ain't never been a liar  
Bitches getting loose  
Turn up, turn up, turn up, turn up  
Turn up, turn up, turn up,  
Bitches getting loose  
Turn up, turn up, turn up, turn up  
Real shit, I ain't never been a liar  
Bitches getting loose  
Turn up, turn up, turn up, turn up  
Turn up, turn up, turn up,  
Bitches getting loose  
Turn up, turn up, turn up, turn up  
Real shit, I ain't never been a liar  
Bitches getting loose  
Bitches getting loose  
Real shit, I ain't never been a liar  
Bitches getting loose  
Money buy the power, I could buy all the real shit  
I ain't never been a liar  
Walk up to yo bitch, told 'er I'd buy 'er  
Nigga talk shit, I pull out the fire  
Bitch 'cause I'm loose off the goose
