

# When I See You

Donald Harrison, Jr.

I'm broken but I care for you  
Tried to change all that you wanted me to  
Was too late and just not enough  
To relate to that kind of love  
Taken so long to see it  
I'm righting all my wrongs still you're gone  
Wondering when I'll see you again  
Missed the times you call to tell me of all  
The love that you had for me back then  
For the time I should have cared for you  
And all the pain that I was putting you through  
Late nights sitting by the phone  
A life of leaving you alone  
Taken so long to see it  
Waited so long to be it  
I'm righting all my wrongs still you're gone  
Wondering when I'll see you again  
Missed the times you call to tell me of all  
The love that you had for me back then  
Whether it's all year long or tomorrow  
When it comes, it's all in good time  
When I see you, when I see you again  
It's all in good time when I see you  
All in good time when I see you  
All in good time when I see you  
All in good time when I see you  
I'm righting all my wrongs still you're gone  
Wondering when I'll see you again  
Missed the times you call to tell me of all  
The love that you had for me back then  
Whether it's all year long or tomorrow  
When it comes, it's all in good time  
When I see you, when I see you again  
It's all in good time when I see you  
All in good time when I see you  
All in good time when I see you  
All in good time when I see you
