

# Already Home (With Brandi Carlile)

## HA-ASH

Packed my bags and kissed your cheek  
Turned around so I didn't see you cry, you cry  
Sometimes you just can't explain  
The reasons why you have to say goodbye, goodbye  
It took something, it took falling,  
It took distance, it took time,  
It took a lot of getting lost to realize  
I was already home, right where I was supposed to be  
You were right in front of me  
I was not alone  
I was already home, sometimes you're too close to see  
The one thing that you really need has been there all along  
It took leaving you to know, I was already home  
It took a long, long road to see,  
What matters most in life to me was gone, was gone  
But I thought what I was looking for  
Was right here waiting at your door  
I was wrong, so wrong  
It took tumbling, it took falling,  
It took distance, it took time,  
It took a lot of getting lost to realize  
I was already home, right where I was supposed to be  
You were right in front of me  
I was not alone  
I was already home, sometimes you're too close to see  
The one thing that you really need has been there all along  
It took leaving you to know  
I was so caught up in the thrill of something different  
Something new,  
It took a lot of missing you to see the truth  
I was already home, right where I was supposed to be  
You were right in front of me  
I was not alone  
I was already home, sometimes you're too close to see  
The one thing that you really need has been there all along  
It took leaving you to know (It took leaving you to know)  
I was already home  
I was already home
