

# Tonight, I Am Going To Wash The Hippy

[Alexisonfire](#)

[Originally by Moneen] Too late tonight, I'm gone and your miles ahead and I'm lost.  
Throughout this darkened scene, clear sky's are what I need. [x2] The light resides in lines, offset in different  
times.

And I'm blinded by a sea of this strange memory. Frames change and I'm still lost.  
scene stills lay still in this fog, and I try only to see straight through into you. Your eyes become so bare, an  
eager and empty stare.

And I'm blinded by a sea of this strange memory.

And I am...and I see.. it's just me. And I drift quietly through the trees.

My mind separates from my body. Days late, I'm not around now.. I don't care.

Dreams escape all my thoughts. Awake.

I dream of a fate I cannot escape, now it's too late.

Time dies in straight lines. Waiting, I can't take ANYTHING,  
You try to believe EVERYTHING, but I can't, but I can't Too late tonight, I'm gone [x4]
