Like Your Mother

Kingswood

She's got the old soul
Called her on the old phone
Shakin' down at motown
Then I turned you roundYou're the prettiest thing that I ever seen
Autumn, you're the evergreen
You and me, well I know it should be
Just shake your body good, Just like your mother wouldTrying to find a loop hole
Smokes but someone else rolls
Got you on the lowdown
And then I turned you roundYou're the prettiest thing that I ever seen
Autumn, you're the evergreen
You and me, well I know it should be
Just shake your body good, Just like your mother wouldYou're the prettiest thing that I ever seen
Autumn, you're the evergreen
You and me, well I know it should be
Just shake your body good, Just like your mother wouldYou're the prettiest thing that I ever seen
Autumn, you're the evergreen
You and me, well I know it should be
Just shake your body good, Just like your mother wouldYou're the prettiest thing that I ever seen
Autumn, you're the evergreen
You and me, well I know it should be
Just shake your body good, Just like your mother would
Just like your mother would
Just like your mother would
Just like your mother would
Just like your mother would, would, would, would, would
Just like your mother would, would, would, would, would
Just like your mother would, would, would, would, would
Just like your mother would, would, would, would, would, would, would , would
