Stormwind

Soundtrack

I like to sit beside the fire
When the light is going down
I like to hear the wild wind blow outside my doorI have so much left to remember
I have so much left to forget
And I know I just don't have to search for moreBut you want to change my world
Stay out of my lifeStormwind you're just like a wind
Comin' to drag me away
Stormwind what can I say?
I just don't want you to stayStormwind you're just like a wind
Comin' to drag me away
Stormwind what can I say?
I just don't want you to stay
I don't want you to stayI like to walk around in dreams at night
And play with kings and queens 'til the morning light
I like to wake up in the morning unaware
Of the fact that you are calling me
To ask me if I want to be
Someone who you could love and always care forYou want to change my world
Stay out of my life
Storm wind you're just like a wind
Comin' to drag me away
Stormwind what can I say
I just don't want you to stayStorm wind you're just like a wind
Comin', comin', to drag me away
Stormwind what can I say?
I just don't want you to stay, stayJust a Storm wind
Storm wind you're just like a wind
Comin', to drag me away
Stormwind what can I say?
I just don't want you
Don't want you to, want you to stayStorm wind you're just like a wind
Comin', comin', comin' to drag me away
Stormwind what can I say?
I just don't want you to stayStorm wind you're just like a wind
Comin', comin', comin' to drag me away
Stormwind what can I say?
I just don't want you, don't want you to stayStorm wind you're just like a wind
Comin', to drag me away
Storm wind what can I say no, no?

I just don't want you to stay
