

I've Never Been In Love Before

Barbra Streisand

I've never been in love before
Now all at once it's you
It's you forever more I've never been in love before
I thought my heart was safe
I thought I knew the score But this is wine
That's all too strange and strong
I'm full of foolish song
And out my song must pour So please forgive this helpless haze I'm in
I've really never been in love before So this is wine
That's all too strange and strong
I'm full of foolish song
And out my song must pour So please forgive this helpless haze I'm in
I've never really been in love before
