Tequila Sunrise

Pampeluna / 4P

Its another tequila sunrise
Starin slowly cross the sky
Said goodbyeHe was just a hired hand
Workin on the dreams he planned to try
The days go byEvery night when the sun goes down
Just another lonely boy in town
And shes out runnin roundShe wasnt just another woman
And I couldnt keep from comin on
Its been so longOh, and its a hollow feelin
When it comes down to dealin friends
It never endsTake another shot of courage
Wonder why the right words never come
You just get numbIts another tequila sunrise
This old world still looks the same
Another frame
