

# Directions (OST Vanilla Sky)

**Josh Rouse**

Don't like the direction you are going to  
Seems to lack the attention that it used to  
You stay out all night and get high with your friends  
Wonder why you don't get one thing done in the end  
Don't like the direction you are going to Don't like the direction you have come to  
Now it has the attention that it used to  
Stay home all night with the tv and wife  
Comfortable life ain't all it's cracked up to be  
Don't like the direction you have come to And it's easy to get caught  
And the weight of the world  
It's falling on your face  
So unsure that you would Don't like the direction you are going to  
Seems to lack the attention that it used to  
You stay out all night and get high with your friends  
Wonder why you don't get one thing done in the end  
Don't like the direction you are going to And it's easy to get caught  
And the weight of the world  
It's falling on your face  
So unsure that you would Don't like the direction you are going to  
Seems to lack the attention that it used to  
You stay out all night and get high with your friends  
Wonder why you don't get one thing done in the end  
Don't like the direction you are going to
