

# Sweet Rain

Gerald Veasley

I remember when every other day was bad  
You were my brother, so tall was all you had  
Sireno was dead but we had you instead  
Now I remember our precious petting zoo  
Our delicate high school and all the things we said we'd do  
They all fall like, Sweet Rain  
Wet my memory, Sweet Rain  
Come on down on me  
It wasn't hard to look ahead  
You wanted to be me instead  
I wanted to be you instead but  
I fell and you fell back  
What is wrong with me, well what is wrong with you, Jack?  
Everybody knew she was coming, Everybody knew she was  
Sweet rain, wet my memory, sweet rain, fall down on me  
The big screen got in between, what it was and what we've seen  
How have you been? What have you been? I think about you  
Now and again, I think about you every single day  
Well, shit I'm thinking about you now  
Sweet Rain, Wet my memory  
Sweet Rain, Fall down on me
