

I Like Fucking

Bikini Kill

Hey! Do you believe there's anything
beyond troll-guy reality? I do. I do. I do.

It gets so hard, just to be okay
Sometimes being happy baby is what
I'm most afraid of

Baby, you know, It gets so hard for
me to fight--I don't know how I
guess I never did--Why don't you
show me how--how to lose control

(she's so very I don't care)

just 'cause my world, sweet sister, is so fucking
goddamn full of rape--Does that mean
My body must always be a source of pain?

No. No. No.

(She's so very I don't care, She's so very I don't care)

Just 'cause I named it right here sweet
chickadee don't mean for a minute you
should think I'm the opposite of
anything--but if you wanna know for sure
I'll tell you

We're not gonna prove nothing nothing
Sittin around watching each other starve
What we need is action/strategy

I want I want I want

I want it now.

I believe in the radical possibilities of pleasure, babe.

I do. I do. I do.
