Sometimes I got nothing to say
Nothing to sing about that makes you lie awake
Sometimes I got nothing to do
Nothing to sing aloud when I can't be with you Why should I hold this girlfriend
As tight as I ever could?
Now, why should I? No reason why
You want me down worse, did I show? Show me something good
Show me something Sometimes I am nowhere to be found
If it is just a breath, then why the ringing sound?
Sometimes we got nowhere to be
Nothing to talk about and nothing to agree on Why should I hold this girlfriend
As tight as I ever could?
Now, why should I? No reason why
You want me down worse, did I show? Why should I hold this girlfriend
As tight as I ever could?
Now, why should I? No reason why
You want me down worse, did I show?
