## New Kids On The Block

Everybody in the club right now, tell the DJ to turn it loud  
Baby girl, this your favorite song, baby girl, this your favorite song  
This for girls who got their own car, this for girls who got their own crib

This for girls who got their own  
If you came here by yourself tonight  
'Cause he wouldn't pick up the phone  
He was supposed to bring you here tonight  
Couldn't find him so you came alone  
It don't matter cause' you're here now  
And the music you're enjoying  
So for the next couple minutes  
Baby I'mma be your boyfriend  
Pretty mama if you're single, single  
You don't gotta be alone tonight  
So while the DJ play that single, single  
Just pretend that I'm your man tonight  
See you don't got to be alone, I'll be your boyfriend  
See you don't got to be alone, girl I'll be your boyfriend  
See you don't got to be alone, baby I'll be your boyfriend  
Be your boyfriend till the song goes off  
See you don't got to be alone, I'll be your boyfriend  
See you don't got to be alone, girl I'll be your boyfriend  
See you don't got to be alone, baby I'll be your boyfriend  
Be your boyfriend till the song goes off  
Hey, be your boyfriend till the song goes off  
He don't tell you that you're beautiful  
Let me tell you to the beat  
He don't tell you that he loves you, girl  
Let me sing it in a harmony  
Let my song get you higher  
We don't have to come back down  
And if ever you should miss me  
Just tell the DJ run it back now  
Pretty mama, if you're single, single  
You don't gotta be alone tonight  
So while the DJ run this single, single  
Just pretend that I'm your man tonight  
See you don't got to be alone, I'll be your boyfriend  
See you don't got to be alone, girl I'll be your boyfriend

See you don't got to be alone, baby I'll be your boyfriend  
Be your boyfriend till the song goes off  
See you don't got to be alone, I'll be your boyfriend  
See you don't got to be alone, girl I'll be your boyfriend  
See you don't got to be alone, baby I'll be your boyfriend  
Be your boyfriend till the song goes off  
Be your boyfriend till the song goes off  
Be your boyfriend till the song goes off
